RE: Community Sponsor Donation- Quest Kitchens

Dear Principal Alley:

On behalf of the East Hants Ryson Construction Jr. C Penguins I would like to congratulate Elmsdale District Elementary on being selected for our team's Community Sponsor Program.

Our presenting sponsor: Quest Kitchens -Karl and Charmaine Stapleton, has selected Elmsdale District to receive free admission for all students to the Penguin's home game this coming Saturday January 27, 2018 against the Cumberland Colchester Colts.

We ask that you please pass along our invitation to your students to come enjoy the game at the East Hants Sportsplex. Puck drop is at 2:30pm. We promise to provide a great experience for the kids and their families.

The Jr. C Penguins, and sponsors like Karl and Charmaine who support us, are committed to the community of East Hants and recognize the need to give back and provide positive role models. We thank you in advance for your kind consideration in helping us work toward this important goal.

Thanks sincerely,

Terry
